

`symamd_report`

```
graph LR; A[symamd_report] --> B[print_report]
```

A diagram showing a call from `symamd_report` to `print_report`. The first box, `symamd_report`, is shaded gray and has a thick black border. A dark blue arrow points from its right side to the second box, `print_report`, which is white and also has a thick black border.

`print_report`
