

```
graph RL; main --> sgssvx;
```

sgssvx

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is light gray and contains the text 'sgssvx'. The box on the right is white and contains the text 'main'. A dark blue arrow points from the right side of the 'main' box to the left side of the 'sgssvx' box, indicating a call or flow from 'main' to 'sgssvx'.
