

`SRC/dlacon.c`

```
graph TD; A[SRC/dlacon.c] --> B[math.h]; A --> C[slu_Cnames.h];
```

A diagram showing a source file `SRC/dlacon.c` at the top, which includes two header files: `math.h` and `slu_Cnames.h`. The source file is in a grey box, and the header files are in white boxes. Blue arrows point from the source file to each header file.

`math.h`

`slu_Cnames.h`
